Title: Funding - Make West View Welcoming Project			
Executive Summary: West View Project (WVP) seeks to improve the lives and lifestyle choices of disadvantaged children in Hartlepool. They offer a safe space within the community, holding youth clubs up to five nights per week as well as regular outdoors activities and summer play schemes. They also work with families, promoting the healthy emotional and mental resilience and development of the family and strengthening the bond between its members. The local community in West View has recently experienced a number of racially aggravated incidents as well as antisocial behaviour problems. The WVP are working closely with West View Primary School to deliver a programme of activity focussing upon risky behaviours and the impact of these on individuals. The WVP have requested funding to expand the delivery of their programme which will be delivered in age appropriate sessions to 5-7 year olds, 8-11s and 12-19s. The group work will be delivered over six weeks with 36 sessions in total. The funding will cover refreshments, volunteer expenses and resources for all the sessions. This project supports the PCC's objectives of Working Together to Make Cleveland Safer and Securing the Future of our Communities.
