A good opportunity to talk about the structure and achievements of our EDI programme, in my view – if colleagues agree.

Probably worth running past Richard as Chair of the EM EDI Board too, for his view?

Dear Mr Barry Coppinger,

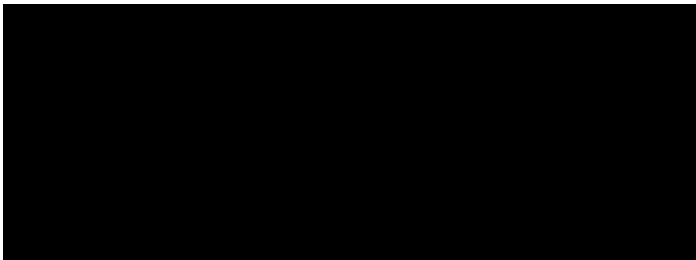

I hope this finds you well. I've been recommended your name as someone who would be very good to speak at our upcoming webinar on the topic of tackling discrimination in the police force. Given your experience for the last eight years as a PCC for the Cleveland Police, and how you've dealt with incidents of racism within the force, we believe you would bring a fantastic insight into the issue and the ways in which racial discrimination can be dealt with by police forces across the country. Our event will be attended by predominantly police officers and local and national government officials, who will all really appreciate your perspective.

The event will be hosted on Zoom on 23rd July at 0930h. We're asking speakers to provide a 20 minute talk followed by a 10 minute Q&A session, there will then be a more open discussion with all the speakers and attendees for 30-60 minutes. More details about our event can be found via the following [link](#).

Please let me know if this is of interest, and I am happy to give you a call in the coming days to go over any questions you may have.

Thank you for your time and consideration, and I look forward to hearing from you.

Kind regards,
