The notes below and attached are hopefully self-explanatory, and I've had a brief chat with Richard. I'd like to catch up with you some time next week on how things are going in Middlesbrough. I'm hopefully going to catch up with [REDACTED] soon and get some terms of reference etc, which I'll share with all in due course.

I'm ok for next Monday afternoon or Tuesday morning if that suits.

Regards
Barry

Richard,

Fyi – will find out more background from [REDACTED] but I'd like to be well prepared for any meeting including a thorough understanding of force engagement and activity with Middlesbrough council. We can discuss further next time we speak.

Barry

Thanks for the note and hope you're keeping well under all the circumstances.

I'd appreciate ½ hour or so of your time for a general catch-up, and to understand fully the thinking behind this, and the role Mayors, MPs and PCCs will play in this. I'm ok next Monday afternoon if you can suggest a suitable time.

Regards
Barry

Subject: Local Outbreak Plans - Local Engagement Board

Hello all

You will be well aware of recent Government announcements surrounding the national Track and Trace Service.

As part of this national arrangement, every upper tier local authority is required to produce a Local Outbreak Plan in June. Middlesbrough has been selected as one of 11 "Beacon" Councils who will lead the process and create best

practice for other Councils to adopt in the creation of their plans. Further information is contained within the presentation attached, which was shared at the initial meeting of the national 11 on Wednesday of this week.

Upon viewing the presentation you will note that there are 3 key groups that will drive the creation and delivery of the plan:

- Covid-19 Health Protection Board
- Strategic Command Group
- Local Outbreak Engagement Board (Political)

The purpose of this email is to make you aware of these arrangements and to invite you to form part of the Local Outbreak Engagement Board, which will be chaired by [REDACTED] as your role is considered one that would strengthen and enhance our plans and delivery.

I would be most grateful of your assistance and would welcome an early indication if your agreement to join us and be at forefront of this work which is of national significance.

Thanks in advance

Regards
