I have spoken to [REDACTED] on number below. He informs me he the deputy head teacher of school and was very reasonable. We discussed issues on ward which include off road bikes (meeting at set time each night) and locations of drug dealing. Can you give him a call today to discuss in more detail and arrange for some targeted patrols in and around these locations to identify offenders.

In regards to contact with NPT he informs me that he does know and speak with [REDACTED] Can you review support we are giving to [REDACTED] and see how he can engage with community better around key meetings such as ward surgeries, KINS and residents meetings. This will all help with the passing of information and getting across some good news stories/partnership building.

Regarding off road bike issue can we also review calls and see if any persons can be identified around sec59's, seizures/other offences and make use of principles of Operation Endurance. CDSOU have also been providing support through [REDACTED] when appropriate which may help to win over support. I have noted however this ward has only 32 reported crimes this month so hopefully some quick wins to gain support and improve engagement.

Regarding arsons have noted following;

- 85685 – 7 Bollington Road – 03.56HRS Thursday 28th May 2020 – Male seen riding off on bike. Aware following up and CCTV, door 2 door enquiries (etc). This is one that made press
- 86339 – Broughton Avenue – 02.07 Fri 29/5/20 – Came in early hours

Can you continue to review both jobs and see if any links between IP's and history. Also progress and suspects if identified and ensure all IP's fully updated along with councillor and other KINS if appropriate.

[REDACTED]
May need some off road bike help if requested by [REDACTED]

[REDACTED]
Two arsons over past two nights in ward. Can you pass onto nightshift for patrols by identified unit. Make traffic aware also.

Thanks,

The Ladgate Councillor is [REDACTED]

Main PCSO for that ward is [REDACTED] who works on B relief under [REDACTED]

[REDACTED] is on all weekend. I have heard [REDACTED] talking about vehicles being dumped in Marton Beck (community vehicles) so i'm sure Police and council have done some work around that

There was another vehicle set on fire this morning at around the same time as yesterday morning – 0315 to 0330

The 2 events are 085685 and 086339. First one has been assigned to us – [REDACTED] its on team 2 C queue

I'll ask IRT to put someone in the area if they can over the weekend and [REDACTED] is going to get his staff in the area knocking on doors this evening

[REDACTED]
There have been vehicles set on fire in Easterside the last 2 morning about 0315. A lad on a bike has been seen at one of these

I'm sorry Ladgate ward has never featured in any meetings I have been involved in. We have 2 daily meetings and not once have I heard of issues there. Its all been Longlands & Beechwood (old Grove Hill) and currently the dwelling and garage break trend in Hemlington, Coulby, Stainton.

[REDACTED] is the main contact there but he was off yesterday and today!

Hi [REDACTED]

I know Easterside isn't your patch, but in [REDACTED] and [REDACTED] absence, could you help?

In the below email string it says that [REDACTED] made contact with [REDACTED] in April – do you know what the outcome of that was – no problems if not.

The councillor isn't happy and has spoken to the Gazette, we need to draft a response.

Here is what [REDACTED] is saying:

"We are inundated with crime in Easterside and yet police are nowhere to be seen.

"We have burnt out cars and drug dealing that takes place on the street in full view of everyone else in both Marton Manor and Easterside.

"Quad bikes and off road motorbikes congregate on Saltersgill every single night of the week.

"When residents report it they are either stuck in a queue on 101 or told there's nothing police can do about off road motorbikes. It's beyond frustrating."

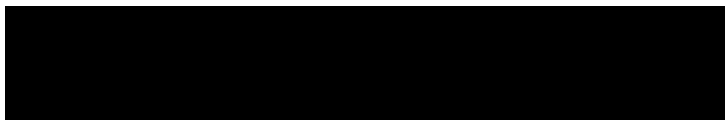

He added: "Cleveland Police has left Easterside alone for too long and now things are out of control.

"The force has done zero to curb the anti-social behaviour and now we have gangs of young men on our streets who think they can do what they want.

"People have lived here for years and it's a brilliant community to be a part but Cleveland Police are not playing their part. I'm really scared to see where this is going to end."

Thanks

The Chief has asked for you to please call the Ladgate Cllr [REDACTED]

Via [REDACTED] – he has complained to the Chief about burnt out cars in Marton beck – 2 currently, and not getting any response or help from local police.

The Chief has managed expectations to an extent with the LA being the lead agency for removal but we also need to check they are not stolen.

Can you please give him a call and see what we may need to do to assist.

Cheers
