Fyi – I was delayed joining meeting through ongoing technical Webex issues which are still not resolved, and only got half [REDACTED] update re some arrivals from W. Yorks, so am going to discuss further with him early next week, as I'd be concerned about community tensions.

Regards
Barry

Subject: Local Outbreak Control Board (17/07)

Hello all

Thank you for your time and input at today's Local Outbreak Control Board. Below is a summary of the main discussion points and actions relating to each agenda item:

Agenda item and related action(s)	Owner	Due
Review of actions from 03/07 LOCB: Cross-boundary decision making addressed via agenda item no.3. COVID data analysis addressed via agenda item no. 4. Vaxeal (pin-prick) testing is still being explored into how this might be applied locally, alongside exploration in to national alternatives.	n/a	n/a
15/07 Strategic Coordination Group debrief: Asylum Seeker dispersal update provided. ACTION: A coordinated meeting of 4 affected LA areas to be facilitated, to understand commonality of issues and impact experienced, with a view to establishing protocol for any future instances, with a view to an update being provided at next LOCB. ACTION: Further discussions required around potential community tensions arising as a result of dispersal impact.	[REDACTED]	30/07
Decision making: Further work and discussion have taken place with a view to LRF performing the SCG function in the event of a cross-boundary outbreak, linking in to the relevant LOCB affected from a Communications perspective, which will require agreement across all 4 LRF LA's.	[REDACTED]	30/07

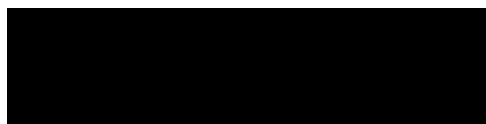

ACTION: A brief will be compiled to summarise and shared at next SCG / LOCB.		
COVID data analysis: Data walk-through of historical COVID cases across Middlesbrough. Work and data is being updated to ensure real-time analysis. ACTION: Headline data / key indicators required in order for data to be effective / relevant. ACTION: Data by postcode and occupation to be shared at next LOCB. ACTION: Following the release of the Containment Framework (17/07), exploration is required into the potential to establish a multi-agency inspection network to discharge local powers, via the development of the Community Champions work currently in development. Approach to be shared at LOCB 31/07.		30/07
Communications update: An update was shared on the reach of social media posts. Discussions progressed on to MBC support / advice in place to support enforcement of mask-wearing in shops, and food and beverage outlets across town, which has already been addressed as part of Town Centre reopening plans.	n/a	n/a
Local Outbreak Control Board Terms of Reference: ACTION: ToR will be circulated for review / comment in advance of next meeting.	All	30/07
AOB: ACTION: Temperature gun update to be prepared for next LOCB agenda.		30/07

On that basis, the agenda for the **LOCB on 31/07** currently stands as follows:

1. Review of actions from 17/07
2. 29/07 SCG debrief
3. Decision-making protocol
4. COVID dashboard
5. Temperature guns
6. Community Champions (referencing multi-agency inspection network)
7. High risk workplace / settings scenario planning
8. Overview of planned activities to address outbreak planning / impacts
9. LOCB ToR review

If you have anything to add / amend, please let me know.

Many thanks,
