Thanks for this – hope you're keeping well. I've no problem with your suggestion and happy to assist DVLA – to be as inclusive as possible, I'm copying in both my Chief Executive [REDACTED] and Chief Constable Richard Lewis – hopefully we can squeeze them into CSH car park, or anywhere else appropriate – will leave to [REDACTED] and Richard to determine or clarify further.

Regards
Barry

Barry,

Hope this email finds you well and nice to have you on the boat a few weeks ago, the social media post had some good support.

My apologies for emailing you direct but was unsure who else to contact.
The DVLA (as described below) have had to move premises and are moving to Eston.
They have no secure storage for their ANPR vehicle and have made the enquiry as to whether they can use any of our estates to store their vehicle.

In my view Eston police station probably isn't secure enough as it isn't staffed 24 hours and I did think CSH car park would possibly be the most secure and with an available space.

Essentially the need a parking space for 1 ANPR van and an access car to be able to get into the car park. Is this something you could support or if you are not the right person then who do I need to speak to?
