Thanks Richard, understand point re demand etc – this would be, as I see it, establishing a violence reduction unit and commissioning work upstream with partners, but happy to discuss further.

Barry

Hi Barry

I've asked that the issue be added to the Joint Exec Board (JEB) next week. Its handy that it happens before your discussion with the Policing Minister.

At the JEB, it would be useful to know what your intentions are if the funding is approved. The amount of change we have on-going in the force at the moment would mean that additional funds to spend on a project would cause us as many difficulties as it would solve. We're maxed out on change programmes.

It would be a different matter if the money would be used to commission services elsewhere with partners of course but I'd be concerned if there'd be a requirement for CP to undertake a large project.

Look forward to discussing it on Monday

Thanks

Richard

Hi Barry

[REDACTED] PA has rang me this morning to arrange a meeting with you to discuss funding.

We've put a slot in next Thursday at 3pm – is there anyone else you'd like in the meeting with you?
