Can you also find us the Joint Emergency services flag that we put up on national emergency services day – I'd like to fly it at CSH in place of the Union Jack for a while as part of my support for the campaign for greater penalties for attacks on emergency service workers.

Thanks  
Barry

Barry – may I suggest that this is remitted to [REDACTED] for him to progress with his opposite number at DVLA, identified in the thread below. I have no doubt that [REDACTED] will note your support for this.

I doubt that CSH will be the right location, not least because we have maintained the policy of not allocating/reserving parking spaces. However [REDACTED] and I as co-chairs can take the issue into the CSH Governance Group agenda, for a solution to be ratified at an appropriate location in the estate.

[REDACTED] – I would be grateful if you would progress accordingly please.

Regards
