Dear Police and Crime Commissioner,

I am sending you this e-mail to inform you that Middlesbrough Community Safety Partnership will publish a Domestic Homicide Review (DHR) on 13<sup>th</sup> July 2020 concerning victim [REDACTED]. This DHR is an independent review carried out at the request of the Home Office and a very important part of the DHR is to give a voice to the victim and provide agencies with an opportunity to learn lessons that can be shared with key partners to prevent future homicides of this nature.

I have attached a letter that gives you an overview of the recommendations within the DHR and provides a link to the published report that will be available from 13<sup>th</sup> July 2020. Please can you read the executive summary, overview report and seven minute briefing arising from the review and help us raise awareness through your board. Your support would provide considerable weight in helping us to progress this with partners.
