Dear all, Fyi below.

Also just been speaking to [REDACTED] and NERSOU/NCA just landed massive drugs, guns, money, seizure over last couple of months from penetrating encrypted network used by criminals, release out now, which should be coming to Cleveland Comms, there's a joint NERSOU/NCA release going out now – look out for it, and we can say something positive, and also celebrate the benefits of regional collaboration across NE and investment we've put in.

Regards  
Barry
