Dear PCC Coppinger, [REDACTED]

[REDACTED] and I were both on your call with the Minister. I lead on the VRU and Surge SV programme and [REDACTED] leads on the analytical aspects. As suggested by the Minister, we are very happy to set up a call with your team to support your thinking on setting up a VRU and/or dealing with SV in Cleveland. My Deputy Director, [REDACTED] is on leave this week but she has extensive expertise on VRUs and she will be happy to join any call in the next few weeks.

As a first step, it would be great if you could share a problem profile of your area and any particular questions/topics you might want to discuss in our call.

Best wishes,  
[REDACTED]
