**Subject:** FW: Middlesbrough CSP Executive Meeting  
**Attachments:** CSP Agenda 15 July 2020.doc

Richard,

Suggest we discuss when we next meet re AIM, which is Active Intelligence Mapping, which was a system [REDACTED] and myself introduced in Middlesbrough when he was Mayor and I was Exec member for Community Safety. I can explain further, but it can be quite labour-intensive and that may have implications for police resources.

Regards  
Barry
