Would be grateful if we could have a catch-up re situation in [REDACTED] if possible. I'm in office tomorrow and could give you a ring? I've spoken to [REDACTED] this afternoon, and I'm happy to help in any way, including with partners, to seek to improve things – I said I'd go back to him later this week.

Thanks
Barry

Dear Gentleman

I am writing this letter in hope of some further help in the village of [REDACTED]
Firstly may we thank you for the successful opening of the station up at [REDACTED] which has been welcomed by everyone in our area and gives a little more confidence between the police and the public which was very much needed

Secondly may we thank your officers for their regular meetings and updates on what is happening in our villages and [REDACTED] for his prompt actions when needed I feel we have secured a fantastic relationship between ourselves and your officers and long may this last .

Our major concern at the moment is the petty thieving which is happening on a constant basis from the same trio of perpetrators and it is making many lives a misery and making everyone feel unsafe in their homes .These young men are [REDACTED] all living in [REDACTED] These lads are out nearly every night stealing whatever they seem to get their hands on we have contacted your local team and [REDACTED] from RCBC antisocial behaviour team and they are well aware of as many incidents as we can report , many incidents are not reported as residents are frightened of a repeat visit these are nasty young men who are even making their neighbours lives a misery.

We three Councillors are very very passionate about our ward and the safety of our residents is one of our top priorities in fact it was myself and [REDACTED] who started the campaign for better policing in East Cleveland 4 years ago and we feel this behaviour in our ward is unacceptable and we are disappointed in the system for allowing them to get away with what they do ,the height of their theiving was when the local supermarket was held up and they stole the till .

Our residents are very disappointed that these lads are still up to last evening going round taking what they want and getting away with it ,the pensioners gardens were attacked the other night and that is their pride and joy . Could you please take a moment of your valuable time and have a look at this situation [REDACTED] has spoken to our leader [REDACTED] and we all feel this situation needs needs some extra attention these lads should not be allowed to treat the village and its residents like this we understand these are petty crimes but they are constantly happening and it is making them braver to move on to bigger things it needs nipping in the bud before someone gets seriously hurt ,people should not have to live in fear

Thankyou
[REDACTED]
