At 4.46 this evening, see below, I received a letter from [redacted] office, which had been simultaneously given to the local media.

I have responded, and my letter is on the attached link. I need hardly spell out my concern at this disgraceful activity. I'm copying this to [redacted] but also Simon my Chief Executive, who will be in touch in the near future. I spoke to Richard Lewis yesterday, and have suggested and he has agreed, it would be a good idea for you both to visit and meet with him to discuss issues of mutual interest.

Hope you are keeping well.
