Dear all,

I've checked email trail below, and it looks like [REDACTED] has emailed me on Tuesday night – however - I've no trace of this email in either my inbox or my deleted items, re the latter I've not cleared them out, and they go back earlier than Tuesday evening.

I've also just been advised by [REDACTED] who heard it on the news radio that Cleveland is mentioned in the HMIC report just published re call-taking – can we also track that for tomorrow morning's media meeting. Copying [REDACTED] also so he is aware. Thanks. Barry
