[REDACTED] the stats on 101 and DA Immediates are declining every day at the moment - and are really alarming this morning. 26% abandonment rate on 101 and 9/11 on the DAs.

Even 999s are at 5 calls per 100 abandoned.

Let's discuss at 0900 but I think we need to ask some urgent questions about this performance (and victim service) slippage.

Thanks

Simon
