

THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST:

To formally confirm the approval of funding for the a Single Integrated Offender Management Scheme across Cleveland

Title:

Single Integrated Offender Management Scheme

Executive Summary:

The initiative will establish a Single Integrated Offender Management Scheme for the Cleveland Police area. This will involve the creation of a central hub with staff co-located within the prison setting at Holme House Prison. Through the creation of a single integrated team it is intended that the Hub will promote greater levels of consistency and effectiveness across Cleveland in relation to the management of Prolific and Priority Offenders and High Crime Causers both in terms of breaking the cycle of re-offending and managing the risk to public safety. A selection and de-selection process has been established and agreed by the Cleveland Single IOM Group along with a performance framework.

The proposed Single IOM team will be managed by the Single IOM Police Sergeant and the team will include a Monitoring and Performance Officer; 2 Prison Officers; and a Restorative Justice Co-ordinator.

Funding is required for start up costs (primarily ICT) and costs for a three year period in relation to utilities and the following posts:

- Monitoring and Performance Officer
- Restorative Justice Co-ordinator

The cost of establishing the hub is estimated to be;

£74,400 in 2014/15

£117,000 in 2015/16

£117,000 in 2016/17

Decision:

For the PCC to retrospectively publish notice of his decision to approve grant funding to establish the Single Integrated Offender Management Hub as detailed in the grant fund application. Retrospective approval arises to correct an administrative slip pursuant to which this decision record, whilst formulated in accordance with the PCC's decision, was not contemporaneously signed.
